13	Comments from Unit	<p>"We respectfully write to request your approval for extension of time to execute lease deed for Global Horizons Capital Advisors IFSC Private Limited ("the Company")</p> <p>Factual Background:</p> <ol style="list-style-type: none"> 1. SEZ Approval: The Company received its SEZ Letter of Approval (LOA) on 6 March 2025 to operate from (existing premises address). 2. Final IFSCA Registration: The Company subsequently received its final IFSCA registration on 11 July 2025, following the regulatory transition from the IFSCA (Capital Market Intermediary) Regulations, 2021 to the IFSCA (Capital Market Intermediary) Regulations, 2025, wherein the minimum net worth requirement was revised from USD 750,000 to USD 100,000. 3. Evaluation of New Premises: Upon receipt of the final IFSCA registration, the Company's management began evaluating larger office premises suitable for long-term operations. The Company is presently in the

		<p>process of finalizing commercial terms for a larger office space at Flex One Building in GIFT SEZ, which would better accommodate the Company's operational and staffing requirements.</p> <p>In view of the foregoing circumstances, we respectfully request that the Administrator (IFSCA) kindly grant an extension of time of Five (5) months within which time, we will make application for Change of Premises from (Present Premises) to (new premises) & after your permission execute the Lease Deed from the new premises and intimate the same to your good office. ”</p>
14(1)	Remarks for the UAC	As per Rule 18(2)(ii) of SEZ Rules, 2006, the unit is supposed to submit the lease deed within 6 months (i.e.- 05/09/2025) from the issuance of the LOA dated 06/03/2025 .
14(2)	Relevant Provisions w.r.t. application	Rule 18(2)(ii) of SEZ Rules, 2006: <i>“A copy of the registered Lease Deed shall be furnished to the Development Commissioner concerned within six months from the issuance of the Letter of Approval and failure to do so, the Approval Committee may take action to withdraw the Letter of Approval after giving an opportunity of being heard”.</i>
15	Remarks, if any, of the O/o The IFSCA Administrator	The Approval Committee may like to decide on the expected delay in the submission of the lease deed by this unit and grant an extension for 5 months , as requested above.
16	Decision of UAC	The approval committee after deliberation approved the request and granted an extension till 31/03/2026 as requested by the Unit during the UAC meeting.
17	Remarks	The UAC took on records the undertaking given by the representative of the Unit during UAC proceedings that the Unit shall comply with all future compliances in time and no extension shall be sought.

- iii. **Any other agenda item related to UAC that the committee finds suitable for discussion in the meeting**

Ease of Exit for Funds

- i. It is observed that there are many Funds setup in IFSC for which the Fund Management Entity (FME) apply for Exit. In these cases, the main reason is that the FME could not attract investors and hence the FME wishes to close the Fund. In most of these cases, the FME continues to operate and has launched many other Funds and are seeking Exit only for a particular Fund.
- ii. It is informed that the Fund entities in IFSCA are virtual entities, without any physical existence and separate employees, which are used for pooling investor money, and they are completely managed by the Fund Management Entity. The Co-Developers do not take separate rentals from the Fund, and they charge only a one-time fee for

- administrative purposes such as Lease Deed registration, etc.
- iii. Currently, when Form-L is submitted for Exit by any entity, NOC is obtained from Specified Officer, Developer, Co-Developer and IFSCA before approval of Exit. In the interest of Ease of Doing Business, it is essential to provide an easy Exit process for the Fund entities so that a Fund can be quickly closed by the FME and the resources of the FME may be used in other existing and active Funds. It is proposed that, when Exit application is submitted for a Fund and the FME continues to operate, NOC may not be required from Specified Officer, Developer and Co-Developer. Exit may be approved on confirmation from IFSCA on whether the Fund may be closed from a Regulatory perspective.

Decision of the 81st UAC	The Approval Committee after deliberation deferred the proposal with the remarks below:
Remarks of 81st UAC:	<i>It was submitted by the DC office that DSPF forms have been filed by certain Funds for procurement of services from DTA and in such cases NOC from Customs would be essential. The UAC noted the submissions and advised the Office of the Administrator (IFSCA) to discuss the proposal with Customs, Developer, and other relevant stakeholders and brief the UAC thereafter.</i>
Decision of the 82nd UAC	The Approval Committee after deliberation deferred the proposal with the remarks below:
Remarks of 82nd UAC:	The Office of the Administrator (IFSCA) informed that, the office received a communication/submission from the DC Office suggesting that the matter requires further discussion. Accordingly, the UAC advised the Office of the Administrator (IFSCA) to further discuss the proposal with the DC Office, Customs, the Developer (GIFTCL), and other relevant stakeholders, obtain their submissions, and thereafter place the matter before the Committee.
