

## PRESS RELEASE

### **Registration for availing Online PAN Verification services to IFSC REs**

All IFSC Units onboarding clients are required to verify the Permanent Account Number (PAN), wherever available, of their clients as part of the onboarding process. The IFSC Units are required to access the issuer database to verify the PAN details of their clients.

In this regard, it is hereby informed that IFSC Units have now been granted access for availing online PAN verification through the Protean portal.

All the IFSC Units which are required to verify the PAN details shall register under the newly created “**IFSCA Registered Entities**” category on the Protean portal to avail the PAN verification services. Registration may be completed through the link > [Register for Pan Inquiry](#).

The details regarding system prerequisites, registration procedure, applicable charges, and related queries may be accessed through the link > [Protean PAN Services - PAN Card Application & Issuance](#).
