**16-07-2025****Public Notice No. 01/2025-26**

Rule 22(3) of the SEZ Rules, 2006 mandates that every Unit shall submit Annual Performance Report (APR) in the Form I. Condition 7 of the Form H (BLUT) mandates that, after the commencement of production/service, the Unit shall submit the APR within one hundred eighty days following the close of financial year.

It has been noticed that many Units who have commenced the business operations under Rule 19 of SEZ Rules, 2006 have not submitted their APR(s). Non filing of APR is a violation of the provisions of the SEZ Rules, and liable to attract penal action under Rule 54 of the SEZ Rules.

It is directed that all the Units who have not filed their due APRs shall file the same in the SEZ Online portal latest **by 31.07.2025**. It is also informed that the units who may have earlier submitted the APRs in physical form (or) by email shall ensure that the same is filed in the SEZ Online portal latest by 31.07.2025

Failure to adhere to the timelines may invite penal action in accordance with law.

This issues with the approval of Administrator (IFSCA).

Goutham S  
DEPUTY GENERAL MANAGER
