GIFT IFSC

A Catalyst for India's Economic Growth Contributing to the India@2047 Vision

K Rajaraman
Chairperson, IFSCA

"Our vision is to develop the GIFT IFSC into a leading global financial centre having strong connects with global financial and commodity markets across the world"

India is currently celebrating 'the great festival of democracy' or 'Azadi ka Amrit Mahotsav', a period of 25 years leading to the 100th year of independence, culminating into the vision of 'Viksit Bharat in 2047'. In line with this, the budget 2023-24 lays out a blueprint for achieving long term welfare and development goals.

The Indian reforms process driven by Government of India has achieved great progress by repealing 1550 outdated colonial era laws, replaced many of them with modern, progressive and business-friendly laws and regulations. Hon'ble Finance Minister has announced a review of the Income Tax, GST Act and Customs Duty Structures in the Budget for FY25. More reforms can be expected in enabling high degree of comfort for Indian and Foreign Investors.

The services sector is a key driver of India's export growth, this became even more apparent in midst of the volatility last year, when despite a global export slump, the export of services from India offset the decline in merchandise trade.

India has witnessed remarkable growth in its services exports, more than doubling from USD 158 billion to USD 341 billion over the past nine years. Financial services from the BFSI sector are at the heart of this development, catapulting India to the 8th rank globally in business service exports, with its services exports now accounting for 4.3% of the world's total.

This implies that as India continues its upward trajectory, a well-developed financial sector will be crucial to provide the necessary foundation for sustained growth and competitiveness in the global financial services landscape.

It is in line with this objective that the International Financial Services Centre (IFSC) at Gujarat International Finance Tec-City (GIFT City) was envisaged.

The International Financial Services Centres Authority (IFSCA) was set up by the Government of India on April 27, 2020, as a unified financial regulator with main objective to develop and regulate financial services in the IFSCs and to make the vision of developed India a reality and establish India as a world-class financial hub that could compete with leading global financial centres such as Singapore and London.

IFSCA has adopted a clean-slate principle of studying global best practices and principle of alignment with Global Standards in the process of drafting new regulation in the last 4 years. The efforts in this regard are gradually coming to fruition as international financial transactions that were once routed through global hubs like Singapore, Dubai, and Hong Kong are now being conducted from GIFT IFSC establishing it as a credible alternative for international financial dealings.

The IFSC has seen remarkable growth with the banking and funds sectors at the forefront. Banking assets have crossed the \$70 Bn billion mark, and the transactions have exceeded \$975 Bn billion as of September 2024. The popularity of this sector can be attributed to the foreign currency borrowings of the Indian Corporates and Public sector entities and trade finance with retail products gaining traction. The number of fund management companies and funds in the IFSC has also increased significantly, as of September 2024, there are 128 FMEs and 168 funds registered with IFSCA.

The IFSC is mobilising capital effectively, the growing significance and global participation of Indian market is evident with GIFT Nifty reaching an all-time high on September 24, 2024, with open interest of \$20.84 billion and a single-day turnover of \$22.72 billion.

Ship leasing and aircraft leasing are two business segments that were not very popular in India till very recently, however, the regulatory ecosystem at IFSC has enabled these segments to grow and create ripples in the global ship leasing market. Ship leasing began in June 2023, and numerous leasing entities have been set up ever since. The number of ship lessors are 12 as of September 2024. Additionally, aircraft leasing has grown tremendously with 27 lessors and 159 aviation assets leased as of September 2024. This growth positions GIFT City as a rising player in the global leasing market.

To drive economic success through systematic efforts in congruence with the pillars and goals highlighted in the budget 2024-25, IFSCA has implemented various initiatives for instance, aligning with the budget's focus on improving Ease of Doing Business and promoting exports, an International Arbitration Centre is being set up at the GIFT IFSC to provide timely dispute resolution under international jurisprudence. This move aims to reduce India's outbound Alternative Dispute Resolution (ADR) expenses and transform them into a thriving global industry, attracting disputants worldwide. Under this move, an ADR Centre offering arbitration, mediation, and diverse dispute resolution methods and an IFSC International Court dealing with all ADR matters arising from IFSCs, with powers similar to a High Court are envisioned. This will set India on track to become a global leader in ADR, offering top-notch services at competitive prices.

Similarly, to materialise the goal of Digital economy, the Single Window IT System (SWIT) portal was launched by Hon'ble Prime Minister at a public function at Ahmedabad on September 16, 2024. This portal will provide a one-stop online solution, eliminating the need for multiple permissions and excessive documentation, and facilitating inter-regulatory coordination between RBI, SEBI, and other regulators and promote ease of doing business.

The Reserve Bank of India (RBI) has liberalized the Liberalised Remittance Scheme (LRS) for resident Indians in International Financial Services Centres (IFSC), GIFT City. Previously, remittances were only

permitted for investing in securities and opening non-interest-bearing foreign currency accounts. However, following the revisions, resident Indians can now make payments for education fees to foreign universities or institutions in IFSC, GIFT City, and are no longer required to repatriate idle funds within 15 days. This will help make IFSC even more attractive to foreign investors and financial institutions, enhancing its global competitiveness supporting the pillar of Economic Empowerment by boosting financial sector growth.

The IFSCA supports India's commitment to environmental sustainability and in alignment with the pillar of Green Growth, the trading and settlement of Sovereign Green Bonds (SGRBs) has been permitted with a view to facilitate easier access for non-resident investors to invest and trade in SGRBs through IFSC and to enhance global climate capital flows into India. To further strengthen the framework and facilitate informed decision-making, improved transparency, and reduced 'greenwashing' risks, IFSCA has also enabled Credit Rating Agencies to undertake additional activities relating to ESG Ratings and Data Products Providers.

The IFSCA recognizes the shortage of workforce for BATF (Book-keeping, Accounting, Taxation and Financial Crime Compliance) services globally and the implied inherent potential for export of such services. To enable India to leverage its inherent strengths by training and development through various programs, the IFSCA (BATF) Regulations, 2024 were introduced. This initiative resonates with the budget pillar of Human Capital development to contribute to the goal of Viksit Bharat.

Additionally, to leverage India's strong talent pool and to foster industry-academia ties and empowering female professionals in the financial services sector, a working group for 'Augmenting Talent Availability in IFSC' has been commissioned.

IFSCA stands committed to fuelling India's growth towards economic excellence. Through collaborative efforts, innovative spirit, and policy support, we will unlock GIFT IFSC's full potential, driving India's transformation towards a Viksit Bharat.

The Hon'ble Prime Minister of India, Shri Narendra Modi launching IFSCA's Single Window IT System (SWIT)

RBI Circular on Remittances to International Financial Services Centres (IFSCs) under the Liberalised Remittance Scheme (LRS) (July 10, 2024)

The Reserve Bank of India has permitted Authorised Persons to facilitate remittances for all permissible purposes under LRS to IFSCs for:

- i. Availing financial services or financial products as per the IFSCA Act, 2019 within IFSCs; and
- ii. All current or capital account transactions, in any other foreign jurisdiction (other than IFSCs) through a Foreign Currency Account (FCA) held in IFSCs. For these permissible purposes, resident individuals can open FCA in IFSCs.

Permitting IBUs to participate in the synthetic securitisation program of Parent bank (July 11, 2024)

IBUs have been permitted to participate in the synthetic securitisation program of its Parent bank subject to following conditions:

- i. The Home Regulator of the IBU has adopted the Basel III framework and has not prohibited the banks under its jurisdiction from undertaking such transactions.
- ii. IBU shall notify the Authority before the exposures of the IBU are incorporated in the Parent bank's program for synthetic securitization.
- iii. IBU shall comply with provisions of PRU Direction, IFSCA Banking Handbook (as revised (from time to time)).
- iv. The Authority may require the IBU to submit a copy of the reports being submitted to its Home Regulator for such transactions to the extent such report pertains to the assets of the IBU included in the program on synthetic securitisation.

- iii. New Zealand Dollar (NZD)
- iv. Danish Krone (DKK)

IFSCA (Board for Regulation and Supervision of Payment and Settlement Systems) Regulations, 2024 notified (July 18, 2024)

Clause (a) of sub-section (2) of Section 38 read with Section 34B of the PSS Act empowers IFSCA to make regulations providing for the powers and functions of the Board for Regulation and Supervision of Payment and Settlement Systems ("BPSS"), the time and venue of its meetings and the procedure to be followed by the BPSS at its meetings (including the quorum at such meetings). In exercise of such powers, the International Financial Services Centres Authority (Board for Payment and Settlement Systems) Regulations, 2024 ("the regulations") were notified in order to enable the functioning of the BPSS for IFSC, the regulations, inter alia, specify as under:

- i. The duties, powers and functions of the BPSS.
- ii. The procedure to be followed at the meetings of the BPSS.
- iii. How the powers of the BPSS are to be exercised under specific circumstances.
- iv. The power of the BPSS to set up sub-committees and advisory committees.

Sustainable Finance

Trading and Settlement of Sovereign Green Bonds (SGrBs) in IFSC (September 24, 2024)

The Government of India has been issuing SGrBs to mobilize resources for green infrastructure in India.

Considering the substantial increase in international investors' dedication to net-zero goals, SGrBs present a promising avenue to attract significant foreign climate capital into India. To further increase global participation in SGrBs, a scheme for "Trading and Settlement of Sovereign Green Bonds in the IFSC in India" was introduced by the RBI on August 29, 2024. Subsequently, on September 24, 2024, IFSCA issued a circular on "Trading and Settlement of SGrBs in IFSC" detailing the operational guidelines for various market participants. This will facilitate easier access for non-resident investors to invest and trade in SGrBs, enhancing global climate capital flows into India.

Fund Management

Valuation of Assets of Schemes under IFSCA (Fund Management) Regulations 2022 by Credit Rating Agencies at IFSC (July 25, 2024)

This circular enabled Credit Rating Agencies ("CRAs") registered with IFSCA under IFSCA (Capital Market Intermediaries) Regulations, 2021 to undertake the valuation of assets of the schemes under IFSCA (Fund Management) Regulations, 2022. With this measure, the schemes launched by Fund Management Entities in IFSC will have the option to avail of the valuation services for their schemes from the CRAs, in addition to a fund administrator or a custodian, registered with IFSCA, or a valuer registered with the Insolvency and Bankruptcy Board of India (IBBI).

Capital Markets

Maintenance of Net Worth by Capital Market Intermediaries (September 05, 2024)

The circular draws reference to Regulation 6 of IFSCA (Capital Market Intermediaries) Regulation, 2021 which mandates CMIs to always maintain stipulated net worth. Further, it is mandated by circular that any CMIs not maintaining stipulated net worth at any time shall not undertake any existing or new business activity till the time net worth is restored.

Gazette Notification on Securities Contracts (Regulation) Amendment Rules, 2024 (August 28, 2024)

As per the notification published, companies that want to list their securities on stock exchanges in IFSCs will now have a lower requirement of 10 per cent instead of earlier 25 per cent of their shares available to the public, regardless of how much capital they have after issuing shares.

Additionally, in Rule 19A, the amendments clarify that similar modifications of having minimum public shareholding of 10 per cent instead of earlier 25 per cent of their shares available to the public, will also apply to companies already listed on recognized stock exchanges in IFSCs.

Credit Rating Agencies in the IFSC (July 25, 2024)

Securities and Exchange Board of India (SEBI), vide circular dated July 19, 2024, on "Enabling Credit Rating Agencies (CRAs) to undertake rating activities under IFSCA" permitted credit rating agencies registered with SEBI to undertake rating activities in the IFSC in accordance with regulation 9(f) of the SEBI (Credit Rating Agencies) Regulations, 1999 ("SEBI CRA Regulations") and para 25 of the Master Circular for CRAs dated May 16, 2024. The Explanation provided under regulation 9(f) of the SEBI CRA Regulations provides that - "...the ratings undertaken by a credit rating agency under the respective guidelines of a financial sector regulator or authority shall be under the purview of the respective financial sector regulator or authority".

Accordingly, a CRA registered with SEBI, desirous of providing rating services in the IFSC, shall apply for registration with IFSCA in accordance with the requirements provided under the IFSCA (Capital Market Intermediaries) Regulations, 2021 ("CMI Regulations"), as amended from time to time. The activities of the CRAs operating in the IFSC shall be subject to the requirements in the IFSCA Act, 2019, CMI Regulations and other applicable regulations and circulars notified by IFSCA from time to time.

Enabling Credit Rating Agencies to undertake additional activities relating to ESG Ratings and Data Products Providers (July 31, 2024)

IFSCA issued a circular on enabling CRAs to undertake additional activities relating to ESG Ratings and Data Products Providers. With an objective to develop an ecosystem for various activities relating to ESG including sustainability in the IFSC, it was decided that a framework may be specified to enable CRAs registered with the IFSCA ("Authority") to also undertake services relating to ERDPPs in accordance with the requirements laid down in this circular.

IFSCA (Listing) Regulations, 2024 notified (August 30, 2024)

The Government of India notified the Direct Listing Scheme in January 2024 providing the legal framework for direct listing of equity shares of public Indian companies on the international exchanges in the IFSC. Subsequently, IFSCA constituted a Standing Committee on Primary Markets ("SCOP"), chaired by Shri T. V. Mohandas Pai which recommended that the IFSCA's regulatory framework for listing of companies should be aligned with other international financial centres such as Singapore, Hong Kong, USA and UK. Following extensive deliberations in the SCOP and public consultations, it was decided to replace the existing IFSCA (Issuance and Listing of Securities) Regulations, 2021 with the New Listing Regulations. The Authority in its meeting held on June 27, 2024, approved the New Listing Regulations.

The IFSCA (Listing) Regulations, 2024 ("New Listing Regulations") provide a unified regulatory framework for listing of securities and other permitted financial products were notified on August 30, 2024. The regulations are expected to promote ease of doing business for the issuers to access capital market through listing of securities on the stock exchanges in the IFSC with greater flexibility and efficiency. The regulations aim to protect the interests of investors by ensuring that there is full disclosure of material information that are required for decision making by the investors. The regulations are expected give a boost to primary listing, particularly for Indian companies as well as

provide the much-needed fillip to the primary market in the IFSC, across various financial instruments.

The salient features of the New Listing Regulations can be found here:

Listing of Debt Securities on the recognized stock exchanges in the IFSC (September 11, 2024)

IFSCA issued the circular stating that it shall be mandatory for issuers to obtain credit rating for the debt securities proposed to be listed on the recognised stock exchanges with effect from October 01, 2024.

Caution to Public - Dealing with unregistered Broker Dealers in the IFSC (September 20, 2024)

This press release was issued in order to render caution while dealing with unregistered Broker Dealer in IFSC. IFSCA observed that some entities who are not registered with IFSCA were offering investment/broking services over social media platforms and luring public in making spurious investment in lieu of higher returns. General public was advised to refer IFSCA website to check registration of entity and report them to IFSCA if they are approached by such entity

Driving Innovation with a Single Click: IFSCA's IT Gateway

The Hon'ble Prime Minister Shri Narendra Modi on 16th September 2024 launched IFSCA's Single Window IT System (SWIT System).

The Hon'ble Finance Minister, in the Union Budget for FY 2023-24 announced "Implementation of a single window IT-enabled system for application processing of entities desirous of setting up operations in GIFT IFSC" to improve the Ease of Doing Business (EoDB) in GIFT IFSC.

Towards this end, IFSCA set forth on a mission which has resulted in the development of a Single-Window IT-enabled system for the registration of IFSC Entities.

Salient features of the SWIT System:

1. IFSCA Single Window IT System (SWITS henceforth) contains a Common Application Form (CAF) to be filled by prospective entities of various financial verticals, and simplifies the process of Registration in IFSCs, by bringing all stakeholders [Financial Sector regulators (IFSCA, RBI, SEBI, IRDAI), SEZ Authorities, MIIs/ Bullion MIIs, Prospective entities] onto a single IT-enabled system. This CAF was formulated after comparative analysis with key financial centres like DIFC, Singapore etc.
2. SWITS is integrated via API with the SEZ Online System for SEZ-specific approvals from the SEZ Authorities (IFSCA Administrator). This was done in coordination with the Development Commissioner's office and National Securities Depository Limited (NSDL).
3. SWITS contains a NoC processing module interfacing with three financial sector regulators (RBI, SEBI and IRDAI) for the NoC applications of prospective entities. The integration was done in coordination with RBI, SEBI and IRDAI.
4. SWITS integrates the process of applying for GSTIN by an IFSC entity. A separate window exists for entities to apply for GSTIN which was achieved in coordination with GSTN
5. Real time data validation of PAN, DIN, and CIN through APIs are incorporated into SWITS, which was done in coordination with Ministry of Corporate Affairs (MCA)
6. A Payment Gateway is integrated in the SWITS which allows for entities to pay different fee obligations online, thereby simplifying existing processes of offline payments/ Demand Drafts. The Payment Gateway enables ease of doing business for foreign entities in IFSCs. This was done in coordination with service providers dealing with payment gateway services.
7. A Digital Signature Certificate (DSC) Module is integrated into the SWITS which enable signing of documents digitally and also serves as a means of authenticating identity. This was done by working with Certifying Authorities authorized by the Controller of Certifying Authorities (CCAs).

It is expected to increase IFSC's and IFSCA's contribution to the vision of Viksit Bharat@2047, by attracting business opportunities to Indian shores.

Report on Transition Finance by the Expert Committee on Climate Finance

The Expert Committee on Climate Finance was constituted by IFSCA on December 21, 2023, to provide a roadmap for IFSCA to develop a climate finance ecosystem and instruments at GIFT IFSC with a special focus on Transition Finance as well as to provide recommendations on establishing the GIFT-IFSC as a global hub for climate financing. The Committee is chaired by Shri Dhruba Purkayastha (Director- Growth and Institutional Advancement, Council on Energy, Environment and Water) and includes experts across policy think tanks, standard setters, consultants, industry, and global financial institutions.

The Expert Committee has submitted its report on Transition Finance to the Chairperson, IFSCA, Shri K. Rajaraman on July 01, 2024.

The Report on Transition Finance captures the recommendations by the Expert Committee under three pillars:

1. Scope and definition of Transition Finance
2. Policy and Regulation
3. Financial Mechanisms and Instruments

Expert Committee on Climate Finance submitting report on Transition Finance to Chairperson, IFSCA Shri K. Rajaraman (Third from right) and ED, IFSCA Shri Pradeep Ramakrishnan (Fifth from left)

The report emphasizes the role of transition finance in driving investments towards hard-to-abate sectors such as steel, cement, shipping, fertilizers etc. which are crucial for economic growth of India and other developing nations. The report offers strategic recommendations to IFSCA and policy makers by exploring global best practices and regulatory landscapes, to enhance the role of GIFT-IFSC as a gateway for attracting international climate capital flows in order to achieve India's ambitious goal of achieving net-zero by 2070.

Pension

Report of the Expert Committee on Development of Pension Products at GIFT IFSC submitted to IFSCA

The Expert Committee on 'Development of Pension Products at GIFT IFSC' has submitted its report to the Chairperson, IFSCA on July 08, 2024. The Committee was constituted to identify the scope of providing pension products targeting global citizens, with special emphasis on NRIs and OCIs and to explore a possible regulatory framework for the same. Under the Chairmanship of Prof. Mukul Asher (Former Professor at the Lee Kuan Yew School of Public Policy at the National University of Singapore), the Committee has recommended a non-INR denominated long-term savings product to be regulated by IFSCA.

The report highlights that there are over 13.5 million NRIs and 18.7 million PIOs living in various parts of the world. The pension products would provide portability and nomination (succession plans) features for the NRI investors. The Committee has recommended a detailed product design emphasizing each stage of the product. The report recommends a comprehensive regulatory framework that strikes a balance between encouraging voluntary participation and safeguarding the interests of the contributors. The Committee has also analyzed the tax design and proposed a tax framework with crucial recommendations to make the product attractive.

Report of the Expert Committee for drafting institutional arbitral rules for the proposed International Arbitration Centre at GIFT IFSC submitted to IFSCA

The Expert Committee on drafting institutional arbitral rules for the International Arbitration Centre at GIFT IFSC has submitted its report to the Chairperson, IFSCA on July 16, 2024. The Committee was set up by IFSCA pursuant to the announcement of the Hon'ble Finance Minister in the Union Budget for FY 2022-23 that "An International Arbitration Centre will be set up in the GIFT City for timely settlement of disputes under international jurisprudence".

The Expert Committee, chaired by Dr. M. S. Sahoo, former Chairperson of IBBI, along with other legal experts in Alternative Dispute Redressal (ADR), was established to draft institutional arbitral rules for the proposed International Arbitration Centre at GIFT IFSC. The committee was also tasked with suggesting regulatory design, legal framework, and procedures for the centre. The Arbitration Centre at IFSC will focus on international jurisprudence, aiming for speedy and cost-effective dispute resolution.

The Committee examined the regulatory and institutional frameworks of well-established institutions such as Singapore International Arbitration Centre (SIAC), Singapore International Commercial Court (SICC), Hong Kong International Arbitration Centre (HKIAC), the London Court of International Arbitration (LCIA), and Dubai International Arbitration Centre (DIAC) among others. It also engaged with international dispute resolution professionals and representatives from dispute resolution centres to take their feedback and accordingly suggest design for an effective and competitive Alternative Dispute Resolution Centre (ADRC) at the GIFT-IFSC.

Consultation paper on the review of IFSCA (Market Infrastructure Institutions) Regulations, 2021 (August 30, 2024)

IFSCA (Market Infrastructure Institutions) Regulations, 2021 were notified in April 2021 providing a unified regulatory framework for Stock

Exchanges, Clearing Corporations and Depositories (hereinafter referred as MIIs) operating in IFSC.

MIIs are vested with regulatory responsibilities, while pursuing their commercial interests like other profit-oriented entities. It is imperative that the MIIs, in pursuance of their business objectives, should not lose sight of their regulatory roles. The MIIs are also the first line regulators for the intermediaries such as Broker-Dealers, Clearing Members and Depository Participants. On account of the conflicting nature of the MII's role, it is felt that governance standards of MIIs need to be robust to enhance and maintain market confidence and deter malpractices.

Accordingly, to strengthen corporate governance practices, IFSCA issued a consultation paper in August 2024 to seek the comments of the stakeholders on the amendments proposed in the regulations. Amendments in the regulations have been proposed based on the Principles for Financial Market Infrastructures specified by Committee on Payments and Market Infrastructures and International Organization of Securities Commissions.
