Notice

Inviting industry to participate in the Pre-Notice Inviting Tender (NIT) Conference for better understanding of IFSCA's requirements w.r.t. the proposed Digital Regulatory Reporting (DRR) Solution of IFSCA

IFSCA has been established under the IFSCA Act, 2019 which is headquartered at GIFT City, Gandhinagar in Gujarat. IFSCA is a unified Authority for the development and regulation of financial products, financial services, and financial institutions in the International Financial Services Centres (IFSCs) in India. As the dynamic nature of business in the IFSCs requires a high degree of inter-regulatory coordination within the financial sector, IFSCA has been established as a unified regulator with a holistic vision in order to promote ease of doing business in IFSCs and provide world class regulatory environment. The objective of IFSCA is to develop a strong global connect and focus on the needs of the Indian economy as well as to serve as an international financial platform for the entire region and the global economy as a whole.

IFSCA intends to engage a bidder to design, develop, implement, operate, and maintain a Digital Regulatory Reporting (DRR) solution using eXtensible Business Reporting Language (XBRL). The DRR solution will streamline regulatory data collection from various Regulated Entities (REs), enhancing compliance, transparency, and efficiency in reporting processes.
