5. Issue of provisional registration:

- (1) After considering an application submitted under para 4(1)(ii), if the Authority is of the opinion that the said application, prima facie, satisfies the conditions for granting registration, the Authority may issue a “provisional registration” letter to the Applicant and shall require the Applicant to satisfy such conditions and within such time as may be specified by the Authority before grant of registration.
- (2) Grant of registration to an Applicant who has been issued “provisional registration” shall be at the sole discretion of the Authority and the issue of “provisional registration” by the Authority shall not automatically entitle the Applicant to be granted a registration.
- (3) The Applicant shall intimate to the Authority about any change of ownership or control of the Applicant during the period when a “provisional registration” is in force.
- (4) The Authority, after receipt of intimation under the para (3) above or when it otherwise becomes aware of any change of ownership or control of the Applicant to whom a “provisional registration” has been issued, shall undertake a review of its decision of grant of “provisional registration” to the applicant. The outcome of the review undertaken shall be communicated to the Applicant.
- (5) If as a result of the review as stated in para (4) above, the Authority intends to revoke the “provisional registration” granted to the Applicant, the Authority shall provide a reasonable opportunity of hearing to the Applicant before taking a final decision in the matter.

6. Grant of Registration:

- (1) The Authority may, on being satisfied that the Applicant has complied with the conditions laid down in these guidelines and those under the provisional registration, shall grant a Certificate of Registration to the Applicant subject to such conditions as the Authority may deem fit to specify.

- (2) The Certificate of Registration shall be valid until the same is revoked by the Authority or surrendered by the ITFS operator.
- (3) The ITFS operator shall, at any time after the grant of Certificate of Registration, intimate to the Authority of any material change in the information or particulars previously furnished while applying for the Provisional Registration or Certificate of Registration

7. Refusal of Registration:

- (1) If the Authority is of the opinion that the Certificate of Registration cannot be granted, it shall communicate the reasons therefor to the Applicant advising it to rectify such deficiencies within thirty days from the date of such communication.
- (2) If the Applicant fails to rectify such deficiencies within the specified time, the Authority shall refuse to grant registration and communicate the same to the Applicant
.Provided that no such refusal shall be made without giving the Applicant a reasonable opportunity of being heard.
- (3) The application filed under these guidelines, may be withdrawn by the Applicant at any time before the grant of registration by making a communication to this effect to the Authority.
- (4) The Applicant whose application is refused or withdrawn under these guidelines, may submit a fresh application for registration after a period of six months from the date of communication of refusal of the application by the Authority or the date of withdrawal of the application.

8. Revocation of Registration:

- (1) If the Authority is satisfied that an ITFS operator has failed to comply with any of the conditions of the registration, provision/s of these guidelines, orders or directions of the Authority, it may revoke the registration granted to such ITFS operator.
- (2) The order for revocation of the registration shall be issued after giving the ITFS operator a reasonable opportunity of being heard.

9. Surrender of Registration:

- (1) An entity that has been granted provisional registration or registration as an ITFS operator may file an application with the Authority, either before or after commencing its operations, in such a form and manner as specified by the Authority, seeking permission to surrender the provisional registration or the registration granted.
- (2) The Authority may permit the entity seeking surrender of the provisional registration or the registration to do so subject to satisfaction of such conditions as the Authority may specify.
